Dear resident:

The Town of Turner will be performing paving and surface treatments on the following roadways: Cobb Road, Back Cove Road, Lower Street, Wood Street, Beach Street, Church Street, County Road beginning @ #276 in a southerly direction for .70 miles, Long Meadow Estates, Outlook Drive, Colony Drive, and part of Scenic View. This list may be up dated as required so check back often to see if there have been any changes.

There will be some inconveniences; however the result will be smoother and safer driving for all.

In the work areas, travel lanes may be reduced to one lane at times, along with short lane closures of up to 10 minutes. Please seek alternate routes if possible.

Work hours will be Monday-Thursday 7am-4:30 pm, with occasional Friday and Saturday work if necessary.

Work will begin on or about July 13th, 2015 and will continue through the end of August. Dates may vary slightly because of weather and or contractor availability.

Should you have any Questions please call the Public Works office @ 225-3477

Thank you,

Jack Moultrie
